Invitation

Lunar New Year Celebration

Louisville, December 22, 2021.

Dear Friends,

We would like to invite you, your family, and friends to join our Lunar New Year celebration on **Sunday, February 06 of 2022 starting from 10:00 AM at our center.**

The Lunar New Year is one of the most significant observances in Asian cultures. According to the East Asian zodiac, this year belongs to the year of the Tiger, which signifies vigor, ambition, courage, enthusiasm, generosity, self-confidence, fairness, and dedication for goodness. Also, this is the inspiring period that will help us to fight against global CoVID-19 pandemic, to leave behind any unstable and unfinished business, and to connect ourselves with the goal for developing a new more honest pattern of relations.

Further, we can make an optimistic New Year resolution for our physical, material, and spiritual developments of getting fit, getting better education and job, becoming more assertive, cost-effective, and environmental responsibilities, saving money, reducing debt and stress, quitting bad habits, volunteering to help others, and developing a healthy spiritual life.

Besides, as various celebrations in different cultures around the world, Lunar New Year is all about praying and community's festivity. Therefore, we would like to invite you (and your family) to join us in New Year celebration at our center. We hope you, your family, and friends can attend this exceptional occasion. We will provide refreshment and have the youth performance afterward.

Happy Holidays and Best Wish to you and your family.

Sincerely,

Rev. Thich Hang Dat
